Into The Mystic
(From the Streets of Brooklyn)

*Author **Dennis P. McMahon** provides thought-provoking insights
into the mystical exploration of self*

Brooklyn, NY – (Release Date TBD) – As spiritual beings having a human experience, we are all capable of entering ***Into the Mystic***. For the Mystic—that expanded state of awareness where we can connect with Spirit and experience other realities—has been accessible to us from the very beginning when we as children were much more capable of having mystical experiences. However, as we stray from the innocence and openness of childhood, we tend to lose our spiritual capabilities. Nevertheless, as ***Into the Mystic*** reveals and promises in a unique and entertaining way, we can reclaim the true magic and birthright of our youth by following a spiritual path, pursuing “ultimate reality,” and thereby come to know ourselves, and “God,” in the process.

Into the Mystic (From the Streets of Brooklyn) is an exploration of self and ultimate reality through shamanism, after-death communications, past-life regressions, and original mystical thought. The work is filled with tales of wondrous, real-life mystical adventures and spiritual encounters, and is deep and magical enough to be appreciated by even the most enlightened among us. However, ***Into the Mystic*** is simultaneously intended to be shared and enjoyed by our less spiritually inclined friends, mates and significant others, and can actually help bridge the seemingly insurmountable gap between believers and skeptics. Get a copy now, and embark on a unique, entertaining, and enlightening journey ***Into The Mystic!***
